The following questions are designed to provide greater insight into your training style. Submission is optional.

1. Describe an incident that inspired or motivated you to take initiative or go above and beyond your expected duties as a trainer.

2. Provide an example of a specific technique or strategy you use when teaching a crane or rigging concept. (500 words)

3. Describe a situation in which you witnessed a cultural change among workers or management regarding safety as a result of your training. (500 words)
